

City of River Bluff

*Leaf*  
**REMOVAL**

NOVEMBER 3-5  
NOVEMBER 24-26  
DECEMBER 15-17

Each residence is allowed THREE  
(3) leaf service dates

If you have leaf piles curbside on more  
than one date during a pickup range,  
each instance of service will be noted  
for your residence.

Please have leaves roadside the day  
before each service date.

Please do not rake or blow leaf piles  
roadside too far in advance. This  
causes the leaves to become damp  
and clogs the machine

If you need additional service, you  
can contract privately with John  
Turner (502) 262-8008
